**Smooth Sounds Disc-Jockey Services** would love the opportunity to help make your Wedding Day a memorable one - full of excitement, romance and elegance. It is your day to relax, be treated like royalty, enjoy the company of your friends, family, and most importantly, your husband/wife.

We will take care of every fine detail of your entertainment needs - this involves understanding and organizing what you have in mind prior to your Wedding Day, as well as smoothly coordinating with other professionals such as your photographer, decorator and caterer, both prior to and on your special day. We invite each client to set aside time with us to complete a wedding reception planner. It outlines events that will be performed, when and by whom. It is used to gather all the fine details so nothing is missed, and helps us customize your reception exactly to your desires.
