## Love Stories

Share your love for each other with your family and friends before, during and after your wedding through digital technology. The Love Story upgrade can be added to any standard wedding day video package or wedding ceremony footage.

Smooth Sounds will video tape you walking hand-in-hand in the woods or park (4 hours up to 3 locations) and set this to your special music. Add photos to create a heartwarming walk through your childhood and dating years.

We will then show this presentation at your wedding reception on a large LCD screen to your guests to show them how your love as grown.
